Aesthetic appeal

Special textured surface and tile design make these tiles highly appealing. It comes in different textures and designs.

Impressive Thickness

Our tiles, with their substantial thickness, ensure durability and are suitable for any ambience.

Long lasting

- A. Extremely high resistant to loads and traffic due to high impact resistance
- B. Higher wear and abrasion resistance
- C. Higher resistance to polluting chemicals

Resistant to color fading

Endless tiles do not lose their original colour and hue in direct sunlight.

Weather Resistant:

Endless Collection is resistant to extreme weathering conditions. Also, these tiles are resistant to climatic shocks, do not suffer in extreme weather conditions such as high-temperature variations, rains, etc.

Maintenance Free

Endless tiles collection is easy to clean and maintain. It has better stain resistance.

Note:
Colours shown are as accurate as the limitations of the printing process will allow. Prospective customers are advised to inspect a sample of the tile before ordering. Every effort has been made to ensure the accuracy of the information given. However, the company reserves the right to change the specifications without prior notice. Sometimes variations in shade or size being inherent to the ceramic industry may occur. Before fixing, we advise you to follow the fixing instructions on the cartons of the tiles as no responsibility can be accepted by the company once the tiles have been fixed.
